Background

NUARI is a 501(c)(3) non-profit that serves the national public interest through the interdisciplinary study of critical national security issues. We are partially funded by the Department of Homeland Security and the Department of Defense and federally chartered under the sponsorship of Sen. Patrick Leahy. We are co-located with Norwich University in Northfield, VT, and share their ideals of academic excellence, innovation, and service to the country. NUARI provides cyber exercises, secure networking monitoring, custom consulting, research and education. We do this through our DECIDE exercises, the Security Situation Center, technology development and deployment, research deliverables, and in-person and online workforce training.

NUARI currently has 33 full time employees and 12 part time employees/interns with an annual payroll of approximately \$4,000,000. NUARI has a central office located in Vermont, but many employees work remotely across 15 different states. NUARI outsources its payroll with ADP.

NUARI has total approved (FY 2023) revenue budget of approximately \$9,000,116 million dollars.

NUARI receives Federal Grants and Contracts and will require an A-133 audit. A copy of the audit report for fiscal year ended May 31, 2022, is available upon request.

The accounting records for NUARI are maintained at the main office located at 63 Crescent Avenue, 2nd Floor in Northfield Vermont.

Scope of Service

The objective of the audit is to provide an opinion on the financial statements taken as a whole. The opinion shall state that such financial statements present fairly, in all material respects, the financial position of the Company and its results of operations and cash flows have been prepared in conformity with generally accepted accounting principles, and that examination of such accounts in connection with such financial statements has been made in accordance with generally accepted auditing standards, and that such audit provides a reasonable basis for such opinion in their circumstances.

Required services consist of an examination of the financial records in accordance with generally accepted auditing standards, including Governmental Auditing Standards. This will include procedures which are necessary to express an opinion on those financial statements. The primary deliverables expected will include an audit report with signed opinion and a report to management detailing any noted deficiencies in internal controls.

Accompanying the financial statements, the Auditor will submit a Management Letter of Comments and Recommendations, if applicable, for improvement of program and financial management per the Auditor's opinion after examining NUARI's systems.

The initial engagement period shall be two years and will include a single audit compliance reporting (Circular A-133) for receiving Federal grant awards.

Audit reports must be finalized by August 15 of each year so that information can be provided to Norwich University (related party) to be included in their audit reports.
